

One-stop destination for house hunters

Four-day property fair presents the best offerings by participating developers

THE latest StarProperty.my Fair is back with more attractive offerings in the real estate market.

Organised by StarProperty.my, the event will be held from Oct 27 to 30, at G Floor, Centre Court@The Curve from 10am to 10pm.

"While the real estate industry is slow, it is a great opportunity for serious purchasers as it is currently a buyer's market.

"Our StarProperty.my Fair presents all the best offerings by the participating developers in one location. It is a one-stop destination for those looking for their future homes which saves them time, money and effort," said StarProperty Sdn Bhd acting assistant general manager Ernest Towle.

In lieu of the financing difficulty faced by most housebuyers, Towle said most featured developers in the fair collaborated with key bankers to help overcome the financing obstacles in buying a house, besides offering attractive promotional packages.

Naza TTDI Sdn Bhd will be offering attractive 5%+2%+3% rebate (not inclusive of 5% Bumi discount) for its TTDI Segaris development at the fair. As the first exclusive duplex in Taman Tun Dr. Ismail, the development is a sought-after project in an area where new projects are a scarce occasion.

The main text in white and yellow reads "starproperty.my FAIR 2016". Below that, in yellow and white, it says "THE CURVE, PETALING JAYA" and "27-30 Oct 2016 • 10am-10pm". At the bottom, it says "Stand a chance to win great prizes!" and "Prizes worth more than RM10,000 for purchasers." with a small note "Terms and conditions apply."

With attractive rebates, 85% of TTDI Segaris' purchasers have been successful with their bank loan application.

The exciting fair will feature luxurious projects such as The Luxe by Macly Equity Sdn Bhd, M City and Lakeville Residences by Mah Sing Group Bhd, as well as Begonia, Sefina Mont Kiara and Verdi Eco-Dominiums by UEM Sunrise Bhd.

Other prominent developers will include Tropicana Corporation Bhd, Agile PJD Development Sdn Bhd and Eupe Bangsar South Development (JV) Sdn Bhd.

Homebuyers will stand a chance to win

electrical and household items worth more than RM10,000 in a lucky draw.

Meanwhile, visitors who like to survey the product offerings at the property market can also win a host of gifts by participating in the visitor survey during the weekend. Ten Spritzer Hot and Warm Mini Dispensers and other mystery gifts await the lucky participants.
